

Please support American Bird Conservancy's Cats Indoors! campaign and run one of these advertisements in your publication. The text and photograph (color) can be downloaded as a .jpg file from ABC's website at: www.abcbirds.org. Please call ABC at (202) 234-7181 for additional information.

Do you know where your cat is?

Each year, thousands of outdoor cats are killed by cars or die from disease. Hundreds of millions of birds and other animals are killed by free-roaming cats. Indoor cats live happier, healthier, longer lives.
