

## Lights Out for Birds Participant Sign Up

**What you can do to help:** Building owners, managers, employees and tenants can save birds and energy by turning off unnecessary lights during migration. It's easy and the savings are for everyone!

### *What to do?*

- Turn off exterior decorative lighting
- Turn off lobby and atrium lighting
- Turn off interior lights
- Pull blinds or drapes

### *When to do it?*

- Between sunset and dawn
- Spring: February 15 to May 31
- Fall: August 15 to October 31
