

2011 San Francisco Christmas Bird Count Dinner

The dinner and tally of the San Francisco CBC will follow the count on December 27. It will be held at the Log Cabin, located in the Presidio at 1299 Storey Avenue, San Francisco, CA 94129. Doors open at 5pm, dinner will be served at 6pm.

The cost of the dinner is \$12 in advance, \$15 at the door. Only those reservations we've received by December 20 pay the reduced rate, so please sign up early! Just fill out this form and mail it in with your payment.

If you are willing to help out with dinner arrangements and merchandise— set-up, serving, clean-up, or selling merchandise – please fill out the volunteer section below if you are interested.

We look forward to seeing you this year!
